

## EXTRAVAGANT FAVOR

### *Prophetic Release*

While in prayer this morning I kept hearing "extravagant"! Extravagant is more than usual, necessary or proper.

*God's chosen people will walk in extravagant favor.* There is a dimension of favor coming upon the chosen

that will cause people to experience the finer things of life, it will put you in the best position and give you access to things average thinking people will not have access to. Extravagant favor is for those handpicked by God. When you cried out to me, when you made sacrifices for Me, when you stood for My righteous causes people said it don't take all that. You chose to please Me, not people says the Lord and in this season of your life I am doing something special for you. I am doing something special for my chosen ones. Yes, many are called and those who are called receive great things and they may even receive the best of things. However, few are chosen. My chosen receives the best of the best says God.

*Get ready to go to the best places.* Get ready for some of the best experiences that life has to offer. Get ready to be

seen as above average. I am about to call my chosen ones out and hand pick them to receive My ultimate best. Yes, some believe that extravagant people are wasteful and unreasonable. However, the Lord says you cannot waste my favor because I have more than enough. I desire to have you walk in a dimension of favor that seems unreasonable - if it was reasonable and rational, it would be limited. This favor is for those that have taken the limits off their minds and Me; they know that they are worthy to receive the best that the world has to offer. I am releasing extravagant favor upon my humble servants, ones who will not get puffed up when I change their status. Yes, this Favor will look absurd to some and outrageous to others - that's exactly what I release upon my chosen: absurd and outrageous levels of favor! Don't let ordinary minds keep you from experiencing My extraordinary Favor says God. Who ever told you that you were not worthy of the best and most luxurious things in life lied to you. Didn't I say the silver is mine and the gold is mine - all precious metals, jewels and stones are My handiwork and I hand it over to whomever I please says the Lord.

*My chosen have found favor in My sight because they humble themselves before My throne of grace (favor).* I can trust My chosen with the best of the best. Esther received the best of the best among women.

Solomon receive wisdom and wealth unmatched by men. Among his brothers David was chosen as king. Mary was highly favored. Only Joseph had a coat of many colors. These things may have seemed unusual to the people around them, but I do unusual things to confound the minds of men. I am the God of the unusual. I am releasing unusual and extravagant favor. I am about to work a work in your days that you would not believe though it be told to you. Yes, I'm about to release such extravagant favor on your life that even though you've been believing for favor and praying for favor- it will still be much more than you expected or could even imagine.

*My chosen will receive extravagant favor.* Don't apologize for this extravagant favor says God. You have laid down

your life. Your soul has made its boast in Me says God. You seek no glory for yourself; you let Me use you to draw people to Me. You are the righteousness of God, you are in right standing with Me says the Lord. There is a reward for the righteous. I prepare a table before you in the presence of your enemies, I anoint you, I cause blessings to run over in your life - your cup runs over. Yes, you are properly positioned for the overflow. Yes, you will experience My goodness in the land of the living.

*You will receive extravagant favor.*
